In exercising its production, drilling or reworking operare reworking operations on the leased prenet acreage covered by this lease and Lessee. Pooling in one or more instant unit formed hereunder by expansion of prescribed or permitted by the governin making such a revision, Lessee shall fi | evelop or operate the leased prerivell which is not a horizontal con 640 acres plus a maximum acreating or density pattern that may be different as a maximum acreating or density pattern that may be different as a maximum acreating or density shall have the mea an initial gas-oil ratio of less that house production means an oil well in completion means an oil well in cooling rights hereunder, Lesseetions anywhere on a unit which emises, except that the production included in the unit bears to those shall not exhaust Lessee's prontraction or both, either before the cord a written declaration ded from the unit by virtue of su | mises, whether or not similar inpletion shall not exceed 80 age tolerance of 10%; provide perscribed or permitted by inings prescribed by applican 100,000 cubic feet per bard under normal producing on which the horizontal compose shall file of record a written includes all or any part of on on which Lessor's royally the total gross acreage in the pooling rights hereunder, an one or after commencement on, or to conform to any produces to the proportion of the revision, the proportion of the pro | commencement of production, whenewer pooling authority exists with respect to a acres plus a maximum acreage tolerance ted that a larger unit may be formed for a yany governmental authority having jurisoble law or the appropriate governmental rel and "gas well" means a well with an inconditions using standard lease separate ponent of the gross completion interval in the declaration describing the unit and start the leased premises shall be treated as its calculated shall be that proportion of the unit, but only to the extent such proportion of the production, in order to conform to the ductive acreage determination made by and stating the effective date of revision. If unit production on which royaltles are pmanent cessation thereof, Lessee may termine to the same tessation thereof, Lessee may termine the same tessation thereof, Lessee may termine the same tessation thereof. | such other lands or interests. The of 10%, and for a gas well or noil well or gas well or horizont diction to do so. For the purpos authority, or, if no definition is sittal gas-oil ratio of 100,000 cub for facilities or equivalent testin facilities or equivalent testin facilities or equivalent testin the reservoir exceeds the verticiting the effective date of poolins if it were production, drilling the total unit production which the total unit production is sold to unt not the obligation to revise are well spacing or density patter such governmental authority. To the extent any portion of the ayable hereunder shall thereafted. |

7. If Lessor owns less than the full mineral estate in all or any part of the leased premises, the royalties and shut-in royalties payable hereunder for any well on any part of the leased premises or lands pooled therewith shall be reduced to the proportion that Lesson's interest in such part of the leased premises bears to the full mineral estate in such part of the leased premises.

8. The interest of either Lessor or Lessee hereunder may be assigned, devised or otherwise transferred in whole or in part, by area and/or by depth or zone, and the

rights and obligations of the parties hereunder shall extend to their respective heirs, devisees, executors, administrators, successors and assigns. No change in Lessor's ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereunder, and no change in ownership shall be binding on Lessee until 60 days ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereumder, and no change in ownership shall be binding on Lessee until or days after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or until Lessor has satisfied the notification requirements contained in Lessee's usual form of division order. In the event of the death of any person entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to the credit of decedent or decedent's estate in the depository designated above. If at any time two or more persons are entitled to shut-in royalties hereunder, Lessee may pay or tender such shut-in royalties to such persons or to their credit in the depository, either jointly or separately in proportion to the interest which each owns. If Lessee transfers its interest hereunder in whole or in part Lessee shall be relieved of all obligations thereafter the proportion of the transferred interest shall not affect the rights of arising with respect to the transferred interest, and failure of the transferre to satisfy such obligations with respect to the transferred interest shall not affect the rights of Lessee with respect to any interest not so transferred. If Lessee transfers a full or undivided interest in all or any portion of the area covered by this lease, the obligation to

pay or tender shut-in royalities hereunder shall be divided between Lessee and the transferee in proportion to the net acreage interest in this lease then held by each.

9. Lessee may, at any time and from time to time, deliver to Lessor or file of record a written release of this lease as to a full or undivided interest in all or any portion of the area covered by this lease or any depths or zones there under, and shall thereupon be relieved of all obligations thereafter arising with respect to the interest so released. If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shut-in royalties shall be proportionately reduced

in accordance with the net acreage interest retained hereunder

10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or untitized herewith, in primary and/or enhanced recovery, Lessee shall have the right of ingress and egress along with the right to conduct such operations on the leased premises as may be reasonably necessary for such purposes, including but not limited to geophysical operations, the drilling of wells, and the construction and use of roads, canals, pipelines, tanks, water wells, disposal wells, injection wells, pits, electric and telephone lines, power stations, and other facilities deemed necessary by Lessee to discover, produce, store, treat and/or transport production. Lessee may use in such operations, free of cost, any oil, gas, water and/or other substances produced on the leased premises, except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary rights granted herein shall apply (a) to the entire leased premises described in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessee herein shall be subjected less than 200 feet from any house or barn now on the leased premises or other lands used by Lessee hereunder, without Lessor's consent, and Lessee shall pay for damage caused by its operations to buildings and other improvements now on the leased premises or such other lands, and to commercial timber and growing crops thereon. Lessee shall have the right at any time to remove its fixtures, equipment and materials, including well casing, from the leased premises or such other lands during the term of this lease on within a reasonable time thereafter.

11. Lessee's obligations under this lease, whether express or implied, shall be subject t 10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or unitized herewith, in

Lessee shall not be liable for breach of any express or implied covenants of this lease when drilling, production or other operations are so prevented, delayed or interrupted.

12. In the event that Lessor, during the primary term of this lease, receives a bona filde offer which Lessor is willing to accept from any party offering to purchase from 12. In the event that Lessor, during the primary term of this lease, receives a bona fide ofter which Lessor is willing to accept from any party orienting to purchase from Lessor a lease covering any or all of the substances covered by this lease and covering all or a portion of the land described herein, with the lease becoming effective upon expiration of this lease, Lessor hereby agrees to notify Lessee in writing of said offer immediately, including in the notice the name and address of the offeror, the price offered and all other pertinent terms and conditions of the offer. Lessee, for a period of fifteen days after receipt of the notice, shall have the prior and preferred right and option to purchase the lease or part thereof or interest therein, covered by the offer at the price and according to the terms and conditions specified in the offer.

13. No litigation shall be initiated by Lessor with respect to any breach or default by Lessee hereunder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee fails to remedy the breach or default, within such period. In the event the matter is litigated and there is a final judicial determination that a breach or default and Lessee fails to do so

time after said judicial determination to remedy the breach or default and Lessee fails to do so.

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee, its successors and assigns, a perpetual subsurface of the same consideration recited above. easement under and through the leased premises for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on other tracts of land and which are not intended to develop the leased premises or lands pooled therewith and from which Lessor shall have no right to royalty or other benefit. Such subsurface well bore easements shall run with the land and survive any termination of this lease.

15. Lessor hereby warrants and agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessee's option may pay and discharge any taxes, mortgages or liens existing, levied or assessed on or against the leased premises. If Lessee exercises such option, Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may reimburse itself out of any royalties or shut-n royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved

Notwithstanding anything contained to the contrary in this lease. Lessee shall not have any rights to use the surface of the leased premises for drilling or other

operations

17. This lease may be executed in counterparts, each of which is deemed an original and all of which only constitute one original. DISCLAIMER OF REPRESENTATIONS: Lessor acknowledges that oil and gas lease payments, in the form of rental, bonus and royalty, are market sensitive and may vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor understands that these lease payments and terms are final and that Lessor entered into this lease without duress or undue influence. Lessor recognizes that lease values could go up or down depending on market conditions. Lessor acknowledges that no representations or assurances were made in the negotiation of this lease that Lessor would get the highest price or different terms depending on future market conditions. Neither party to this lease will seek to alter the terms of this transaction based upon any differing terms

| which Lessee has or may negotiate with any other lessors/oil and gas ow | ners. |
